

# BEST – Better Efficiency for Industrial Sewage Treatment

Project BEST aims to improve industrial sewage treatment at municipal sewage treatment plants.

During the BEST project we:

- Invest in new solutions
- Provide new guidelines for industrial sewage treatment
- Arrange capacity building workshops and provide training material

**Duration:** October 2017 – September 2020 **Budget:** EUR 3.4 million **Funding:** Co-financed by the European Union (European Regional Development Fund ERDF and European Neighbourhood Instrument ENI) with financial support of the Russian Federation
