

# Baltic Smart Water Hub

| [www.balticwaterhub.net](http://www.balticwaterhub.net)

# Interactive session

In groups: check the functionality of the Baltic Smart Water Hub by testing the search interface and browsing through the Hub supporting resources.

- Learn what is the content and how to navigate the Hub
- Find interesting solutions, suggest your own
- Discuss how we can better adjust the Hub to the needs of the water community

# Online poll
